by Sandy Balarsky, President

Shalom and welcome to Young Israel of San Diego! We are an Orthodox congregation located in the San Carlos area near Del Cerro and La Mesa. We invite you to join us for a Shabbos or Yom Tov.

All the sisterhood women are of such generous and wonderful character. We plan on embarking on a variety of continuous projects throughout the year..

We recently enjoyed a delicious beautiful Purim seudah at the shul featuring Marty Kugler, Shlomo Pereira and Dan Kraimen as musicians, David Goode, Eddy and Mark Rosenberg as actors in the Purim Shpiel, and Rich Goodwin as butcher.

Please join us in planning for more events! For more information call the shul at 589-1447 or Sandy Balarsky at 286-2958.

Kosher Corner Insights

by Julie Goodwin

Besides another year of Pesach approaching and "spring cleaning" to look forward to, there are a few regular items to key in for your awareness.

We were fortunate to have Rabbi Eidlitz from L.A. to join the community in a grocery tour of Vons (College Area) to educate and identify what was acceptable and unacceptable in kosher products.

I will share with you a few items that may be popular in your own grocery carts. Just because a product has a "K" on it doesn't mean it is kosher unless varified by a reliable source (see enclosed list).

Just remember, if you have a question, ask, ask, ask! I will be happy to call Rabbi Eidlitz, our west coast expert. Or, you can join his Kosher Information Bureau by sending an \$18 check to EMEK Hebrew Academy, 12732 Chandler Blvd, N. Hollywood, CA 91607. Hotline (818) 762-3197.
